

About Natural Rubber

Natural Rubber inner tubes are desirable for certain applications due to their inherent balance of physical properties essential for high-performance engineering applications. High strength, long fatigue life, excellent elasticity, and good temperature flexibility are just some of the attributes that end-users can expect.

Natural Rubber Tubes

AVAILABLE NATURAL RUBBER TUBES:

Part Number	Tube Size	Valve Type	Box Quantity
6R20NR	23.1R-34	TR - 218A	1
6R22NR	23.1LR-26	TR - 218A	2
6R34NR	28LR-26	TR - 218A	1
6R67NR	30.5LR-32	TR - 218A	1
6R32NR	16.9/18.4R-26	TR - 218A	3
6R36NR	16.9/18.4R-30	TR - 218A	4
6R48NR	16.9/18.4R-34	TR - 218A	3
6R44NR	24.5R-32	TR - 218A	2
