

# BUSHMASTER RIB

*Unique Heavy Duty Deep Multi Ribbed Tread pattern, to help lateral slip on steep slopes, with reinforced cord body to resist punctures.*

*Broad Shoulder enhances puncture resistance, preventing minimal curb and cut damage.*

OTR's BUSHMASTER RIB tire and wheel system offers excellent traction and durability, ideal for a wide range of brush and land clearing applications, such as rotary cutters. Its circumferential ribs and broad shoulder enhance operation in wet conditions. The wheels are corrosion resistant and designed to withstand shock, vibration, and exposure to extreme weather.

- All-season compound keeps rubber flexible in changing temperatures for great year-round performance.
- Optimized ribs firmly grip surface, ensuring high performance both on- and off-road.
- Available foam-fill options help eliminate the potential for flats.
